

GRADUATE PROGRAM IN DENTISTRY

PPGO/UFG CALL FOR APPLICATIONS No. 04/2026

Internal Selection Process for Visiting Foreign Professor Grants (PVB)

GAIA Network – CAPES Global.edu 2027

The Coordination of the Graduate Program in Dentistry of the Federal University of Goiás (PPGO/UFG), in accordance with its academic responsibilities, hereby announces the opening of an internal selection process for Visiting Foreign Professor Grants (PVB) available to the Program under the GAIA Network – CAPES Global.edu 2027 initiative.

1. PURPOSE

1.1. The purpose of this call is to select and rank proposals from foreign scholars interested in carrying out short-term academic activities at the Graduate Program in Dentistry (PPGO/UFG) under the thematic area of **One Health**.

1.2. The selected candidates will be nominated for funding through the GAIA Network – CAPES Global.edu 2027 program, in accordance with the general program regulations and eligibility requirements established by CAPES and the GAIA Network.

1.3. The visiting activities are expected to contribute to the internationalization of PPGO/UFG through academic collaboration, teaching, research development, joint publications, and future international partnerships.

2. AVAILABLE GRANTS

2.1. The Graduate Program in Dentistry has been allocated:

- **Two (2) Visiting Foreign Professor Grants (PVB);**
- Maximum duration: **up to 15 (fifteen) days** each.

2.2. Implementation of the grants is subject to final approval by the GAIA Network and CAPES.

3. ELIGIBILITY REQUIREMENTS

3.1. Applicants must: I. Hold a doctoral degree or equivalent academic qualification; II. Be affiliated with a higher education institution or research organization located outside Brazil; III. Demonstrate academic and research activities related to the **One Health** thematic area; IV. Present a work plan aligned with the objectives of the GAIA Network and PPGO/UFG; V. Demonstrate potential to contribute to international collaboration, joint research projects, student supervision, scientific dissemination, and institutional networking; VI. Meet all requirements established in the GAIA Network general call.

4. APPLICATION PROCEDURE

4.1. Applications shall be submitted by the hosting faculty member of PPGO/UFG by **October 16, 2026**.

4.2. Application documents must be sent electronically to: ppgo.fo@ufg.br

4.3. Required documentation: a) Curriculum vitae of the candidate; b) Proof of institutional affiliation; c) Proposed work plan, including objectives, activities, expected outcomes, and schedule; d) Statement describing previous international collaboration activities and potential contributions to PPGO/UFG; e) Letter of support from the hosting faculty member of PPGO/UFG.

5. SELECTION PROCESS

5.1. Applications will be evaluated by a Selection Committee appointed by the PPGO Coordination.

5.2. The following criteria will be considered:

I. Academic Merit of the Candidate

- Academic trajectory and qualifications;
- Scientific productivity;
- International recognition and expertise.

II. Quality of the Proposed Activities

- Relevance to the One Health thematic area;
- Scientific and educational impact;
- Potential contribution to ongoing research activities.

III. Contribution to Internationalization

- Potential for long-term collaboration;
- Opportunities for joint publications and research projects;
- Capacity to strengthen international academic networks involving PPGO/UFG.

6. EVALUATION CRITERIA

6.1. The following criteria and maximum scores will be applied:

Criterion	Score
Academic achievements and scientific productivity	40
Quality and feasibility of the work plan	30
Contribution to internationalization and cooperation	30

Criterion	Score
Total	100

6.2. In the event of a tie, priority shall be given to proposals with higher scores in: I. Contribution to internationalization and cooperation; II. Quality of the work plan.

7. TIMELINE

Activity	Date
Publication of the call	October 7, 2026
Application deadline	October 16, 2026
Proposal evaluation	Until October 19, 2026
Preliminary results	October 19, 2026
Appeal period	Until October 21, 2026
Final results	October 22, 2026
Submission of nominees to the GAIA Network	According to the GAIA schedule

8. APPEALS

8.1. Appeals must be submitted in writing within 24 hours after publication of the preliminary results and sent to the Program Coordination.

9. FINAL PROVISIONS

9.1. Selection under this call does not guarantee implementation of the grant, which remains subject to approval by the GAIA Network and CAPES.

9.2. Any cases not covered by this call shall be resolved by the PPGO Scholarship Committee and Program Coordination.

Goiânia, October 7, 2026
