

Call for papers

ICAEEdu 2026

International Conference on Alive Engineering Education

24-25 September 2026, 4th Edition, Virtual Edition, Goiânia, Brazil

The aim of ICAEEdu 2026 is to provide a forum where academicians and professionals from various educational fields can share their knowledge and engage in dialogues on fostering innovation and excellence in Engineering Education. The conference is open to research and practice-oriented papers in all aspects of Engineering Education, including transdisciplinary research and active methodologies. Topics will include, but will not be limited to:

Assessment and Evaluation
Big Data and Analytics in Higher Education
Case Studies
Formation in Cinema
Clinical Case-based Learning and Teamwork
Cloud-based Learning
Computational Thinking
Curriculum Design
Discussion Group
Distance Education
Education
Educational Games and Simulations
Educational Praxis - The Relationship Between Theory, Practice, and Transformative Action

E-Learning
Engineering Education
Ethical and Social Justice Issues
Innovation Programs
Interdisciplinary Teaching Approaches
Laboratory Experiences
Learning Management Systems
Online Course (MOOC)
Open Educational Resources (OER)
Participatory Methodology
Policy Educational
Problem-based Learning (PBL)
Project Led Education (PLE)

Public Lecture
Service Learning
Teacher Professional Development
Teaching Conceptions: Theory, Practice, and Innovation
Teaching Organized Through Work Projects
Teaching with Extension
Teaching with Internationalization
Teaching with Problem-based Learning and Multidimensional Analysis
Teaching with Research
Transdisciplinary Teaching Projects
Work-Integrated Education

Please submit your abstract and it will be reviewed by the editors of the International Conference of Alive Engineering Education (ICAEEdu) and independent reviewers. Extended versions of all the selected abstracts will be published in the Proceedings of the ICAEEdu 2026 in e-format. Best works will be eligible for free publication as a full paper in the International Journal of Alive Engineering Education (IJAEEdu). You can submit an abstract by sending it to icaeedu.nipee.engviva@ufg.br as an attachment. In the subject, please write "ICAEEdu 2026 Abstract".

Dates

Abstract submissions until 30 June 2026.

Acceptance notifications until 10 August 2026.

Extended version of the paper submissions (maximum three pages) to the proceedings until 31 August 2026.

Full paper submissions (minimum five pages and maximum thirty pages) to the journal until 30 September 2026.

Publication in the Proceedings of the International Conference on Alive Engineering Education (ICAEEdu 2026 Virtual Edition) until 31 December 2026.

Publication in the International Journal of Alive Engineering Education (IJAEEdu v. 7, 2026) until 31 December 2026.
