STANDARD COOPERATION AGREEMENT

Cooperation Agreement for Co-Advising of Doctorate Thesis

The Universidade Federal de Goiás,
represented by xxxxxxxx (legal representative)

the University xxxxxx,
represented by xxxxxxxx (legal representative)

and
the student xxxxxxxx;

henceforth collectively referred to as “the parties”,

considering the General Regulation of the Graduation Programs, approved by resolution
CEPEC/UFG 1403/2016,

and

the General Regulation of the Graduation Programs of University xxxxxx, approved by
xxxxxxxxxxxxx,

resolve to establish this Agreement, which will be ruled by the clauses and conditions that follow:

First Clause – On the object: Joint advising and granting of the doctor’s degree

The partner institutions agree that they will be, jointly, responsible for the educational program of the Doctorate student, the advising of their Doctorate research and thesis, and for the granting of the doctor’s degree.

Student’s personal information :

Name: xxx
Date of birth: xxx
Place of birth: xxx
Nationality: xxx

Second Clause – Designation of the institution of origin and the host institution

For the student in this agreement, the institution of origin is xxxxxxxxxxxx and the host institution is xxxxxxxx.

Third Clause- Title of the doctorate thesis

The title of the doctorate thesis will be xxxxxxxxxxxx

Fourth Clause – Supervisions

The student's supervisors will be:

At Universidade Federal de Goiás:

Name: xxx

Academic unity: xxx

Department: xxx

At University xxxxxxxx

Name: xxx

Academic unity: xxx

Department: xxx

Fifth Clause- Admission to the doctorate program

The student has been admitted in the doctorate programs of the partner institutions:

- Graduation Program in xxxxxxxxxxxx at University xxxxxxxx in xxxxxxxxxxxx,
- Graduation Program in xxxxxxxxxxxx at Universidade xxxxxxxx in xxxxxxxxxxxx

Sixth Clause – Content of the educational doctorate program

The content of the educational doctorate program will be on the Work Plan, which must include a minimum period of 12 months of stay for the student at the partner institution, as well as detailing the activities that will be developed, including the amount of credits to be taken, and the main aspects of academic equivalence between the Graduation programs involved.

That Work Plan will be described in Annex 1, which is part of this agreement.

Seventh Clause – Start and duration of the educational doctorate program

The educational doctorate program in a regimen of thesis co-advising will be in effect from the moment this agreement is signed.

The student must be enrolled in both institutions, according to their respective norms and regulations. The enrollment must be renewed every year in both institutions.

The period of the educational program, including the research and the writing of the thesis will follow the applicable norms of each institution.

Eighth Clause – Doctorate thesis

The doctorate thesis will be written in (language). The translation of the title and an abstract of the content must be written in (language), and in Portuguese.

Ninth Clause – Examination board for the doctorate thesis

The examination board for the doctorate thesis will be composed of, at least, five members holding a doctor's degree, designated by the two partner institutions. The board will, necessarily, be composed by the two thesis advisors and by one person non-affiliated with the two partner institutions. Both institutions are committed to guarantee the defense, including the possibility of video-conference or a similar event, if necessary.

Tenth Clause – Defense of the doctorate thesis

The public defense of the doctorate thesis will be in (language), at University xxxxx, on the probable date (month/year).

Eleventh Clause – Granting of the doctor's degree

After unanimous approval by the examination board, each of the partner institutions will grant, separately to the student, a diploma officially recognized by both institutions. The mention of co-advising will follow the norms for registering the diploma in each institution involved.

Universidade Federal de Goiás will grant the student the doctor's degree in xxxxxxxxxx and University xxxxxxxxxx will grant the student the doctor's degree in xxxxxxxxxx

Twelfth Clause – Financial agreements

The expenses with transportation, accommodation, food, visa, purchase of pedagogical material, among others, relative to the student, may be financed by external institutions or will be the responsibility of the student.

The expenses related to the participation of the examination board in the ceremony of defense of thesis, such as international flight tickets, maybe be financed by external institutions or will be the responsibility of each of the members of the board.

The signing of this agreement does not imply a financial commitment on the part of the partner institutions beyond those already predicted for the research and the defense of the doctorate thesis.

Thirteenth Clause – Insurance and Visa

It is the responsibility of the student to take all necessary measures to obtain the adequate visa for the foreign country, according to the valid legislation, and to be sufficiently covered by international health insurance and other necessary insurances, including repatriation, as well as taken responsibility for the expenses, being able to utilize resources from scholarships or research financing.

The visa and the insurance with the mentioned coverage must be valid during the student's stay in the foreign country.

Fourteenth Clause – Intellectual and industrial property rights

The protection of the object of the thesis, as well as the publication, exploration and protection of the resulting conclusions of the student's work in both institutions will be subject to the valid regulations and assured according to the specific procedures of each country implied in the co-advising.

The dispositions relative to the protection of rights of intellectual and industrial property, when required, will be the object of a specific annex in this agreement.

Fifteenth Clause – Doctorate regulations

When signing this agreement, the student and the advisors commit to act according to the doctorate regulations established in each of the partner institutions. In the case of contradictory determinations, the regulations of the institution of origin will be applied.

Sixteenth Clause – Resolution of disputes

Any conflicts arising from this agreement, or relating to it, which cannot be resolved in a friendly manner between the parties, must be resolved by the competent bodies of the institution of origin.

Seventeenth Clause – Execution and termination of the agreement

This agreement will be in effect at the moment of its signing by the involved parties, and will be terminated on the day following the grant of the doctor's degree to the student.

This agreement can be terminated by mutual consent of all involved parties, or in case the student's research present insufficient progress.

This agreement is written in four copies, two in Portuguese, and two in (language), with the same

content and form.

Or: This agreement is written in two copies in English with the same content and form.
